

**ST.. PETER'S
Mission Statement**

The mission of St. Peter's of the Lakes Episcopal Church is to actively love and serve God and all God's People that they may become whole and fully alive.

"Anchored in Faith, Moving Forward"

St. Peter's is a mission of the Diocese of Kentucky with the Bishop as its chief pastor. As a mission it seeks to be a good steward of the gifts given to it and strives to grow in order to become financially independent. It also seeks to contribute its time and talent as well as its treasure to the Diocesan Family.

As a missionary church, St. Peter's has been called to be the visible Body of Christ throughout the lakes region, especially by being Christ's heart and hands to all people and by sharing the Good News that Christ has come to free all people.

St. Peter's desires to remain open as a mission church. Its members are a family, and they have a consistent following of visitors that expect the presence of the church to remain in this region.

As a chapel, St. Peter's seeks to be the presence of God through the Episcopal Church to those who are recreational visitors, guests, and temporary residents of the lakes region.

As a community of Christ, St. Peter's seeks to meet the spiritual and pastoral needs of its members.
